### OVERVIEW

This award recognises the financial planning AFSL that has created the most effective business from start-up phase.

Based on business growth metrics plus support of individual advisers, the award considers the activities, strategies and actions of the group in terms of adviser recruitment and retention, as well as the success of individual advisers in supporting the group's overall growth and development. It also recognises strong progress in funds under advice (FUA).

This is a corporate award that is open to all non-aligned licensees established after 1 January 2012.
