Lodging multiple awards

If you are lodging a submission for a number of award categories, congratulations! Please use a common sense approach to creating submissions for multiple categories.

While producing an awards submission can be a time-consuming process, there are ways in which you can reduce the work required. For example, you may be able to use the same core submission for a number of different categories, tailored to the specifics of each category.

NOTE: You will still need to complete separate submission documents for each award you are entering.

If you have any questions regarding multiple submissions, please call Eleanor Kempster on 02 9922 3300 or email Eleanor.Kempster@sterlingpublishing.com.au

Supporting material

Please refer to any supporting material in your submission for judges to consider. This material may differ depending on the category and can include images, statistics, media coverage and other relevant information.
